

“Have Your Say Day”

Saturday 9th September
between 10:30am and 4:30pm

A three dimensional model of the Parish of Doxey will be on exhibition in the **Church Hall**. It will show the existing area and the proposed new developments that are proposed to take place in the next ten years. This is your opportunity to give your opinions to your local representatives as to just how you feel Doxey should be in the future. Please come along and have a chat. Refreshment will be available for all visiting the exhibition.

Clearout Day

A clearout day is planned to take place at the Sutton Centre on:

Sunday 1st October
1:30 to 3:30 pm.

Please start sorting out your unwanted items so other people can put them to good use. Most things are acceptable but we can't take electrical items, car parts, paint or oils, by law.

Hope to see you on the 1st with your unwanted items. You could find some thing that you need, you never know.

“Policing Doxey”

Inspector Juliet Prince, commander of the local police unit covering Stafford, including our Parish, will be visiting us to discuss the policing of Doxey now and in the future. This is an opportunity to have a serious discussion on a matter that concerns us all right now, and will continue do so in the coming years.

The meeting will be held in the Church Hall

Tuesday 26th September
Commencing at 7:00pm.

As part of the community's bid to cut down on crime in the area a **Neighbourhood Watch** scheme has been started. For further details ring:
