

Village Voices

Village Voices is to be a joint production between professionals Mikron Theatre Company and the people of Doxey. It will be a play about Doxey - the area and the people - with Doxey residents taking part, working along side the professional artists in many areas (acting, music , filming, costumes, props, set design, publicity, photography, Front of House, lighting, etc.) If this production is successful , Mikron hopes to do similar work with other communities around the country.

Most of the project is being paid for by awards from the Arts Council and Staffordshire County Council.

We have raised most of the money needed, but is there any way you could help to make sure that this production goes on , and is a success?

Some residents have asked if they can donate small sums of money, anything from £1 upwards, towards the project. Rather than organise lots of small fundraising activities we have decided to invite all residents to make a donation.

Can you help by giving a donation (no matter how small) and /or by giving your time as part of the team working on the play?

Please let us know by ticking one or more of the following boxes :

I can give a donation. This can be done by sending your donation and this slip to The Doxey Community Association (DCA) c/o The **William Sutton Housing Association in Sutton Drive** or to the DCA Treasurer, **Barbara Simpson, 170 Doxey.**

I would like to be part of the team, helping in the production. Please contact **Joan on 251622** or **Jane on 621543** to say which area you would like to work in.

What other community events would you like to see taking place in Doxey? If anyone has any suggestions , please contact **Sarah on 242525**, or write them on the back of this sheet and leave it at the William Sutton office in Sutton Drive.
